

MBA [Ⓜ]RMS

INTERNATIONAL

Otman AGUEZOU, Moroccan, IMBA 2008/2009

“I had met a lot of MBA representatives from all over the world in many fairs, but could not find a program with both high academic quality and reasonable tuition fees offering real return on investment. When I met the RMS representative at an MBA Event in Casablanca, **I was impressed to see to what extent this unique track matched my**

expectations: international exposure, the finest professors, a small group that allowed classrooms exchanges in a congenial atmosphere and real flexibility in the second part of the track.

The outstanding reputation of Reims Management School was a crucial asset as well.”
