EMBA Admissions

Recruitment and admissions for the Executive MBA program are over (more information in the next newsletter in June). Kick off May 19th in Morzine (Alps) with a class of 21 outstanding candidates.

Graduation ceremony

On the evening of March 24th, the International MBA students, class of 2006, and the Executive MBA participants, Promo 7 were united for their graduation ceremony, the celebration of many months of hard work, intellectual challenges but also laughs and friendship. The ceremony was hosted by François Bonvalet, Dean of RMS. Hugues Levecq, the MBA Director, was the Master of Ceremony.

After the traditional introduction speeches, Mr Serge Trigano, former CEO of Club Med, gave a much appreciated keynote address. Discussing his tenure at the head of this icon vacation resorts, he gave students and their families a very human view on the life of a CEO, often joking about his misfortunes. His loyalty to the Club Med concept, his clients, and his employees led him to make difficult financial choices that eventually led to his demise, but he emerged as a leader true to his values.

The evening continued with the speeches of the MBA majors, Frank Schuller (IMBA) and Gilles Christ (EMBA), who brilliantly summed up their MBA experience. Then, suddenly, the sound of the trumpet resonated the theatre, as one of the Exec MBA called his classmates on stage for a very special dance. A unique choreography that must have been rehearsed during those late "working" evenings. Finally, everyone joined for the Gradation Picture and the traditional and spectacular throw of Caps. This very festive evening concluded with a cocktail and promises to "stay in touch".
