New campuses : Ultra-modern Infrastructure

Begun in 2003, the campus renovation and expansion projects allow Reims Management School to boast of a resolutely contemporary architecture and first-rate instructional equipment. Today, Reims MS Group enjoys two entirely renovated campuses equipped with the Latest Technology.

The Group relies on a formidable set of instructional tools, the latest technology – such as widely-available WiFi – several multi-media rooms, and numerous connection possibilities.

The official inauguration is scheduled in September 2005
